

A powerful speaking circle
and a taste of The Grail

Intro Circle for Men

Hello Men,

You are invited to an Open Circle which offers an introduction to the transformational and life changing work of The Grail. This 3 day journey, guided by Shematrix, initiates men into the mystery of the Divine Feminine.

Here is your chance to get a taste of the space and hear initiated men from this body of work share their experience of The Grail. This circle offers a unique opportunity for men to connect with themselves and others through vulnerability and authenticity.

It will be a safe, sacred and informative space to pause, reflect and explore your calling to this work.

If you live in the vicinity or are visiting Melbourne, we look forward to seeing you there.

Wednesday 28th August

6.45pm arrival for 7.00pm start and finished by 9.00pm

located in inner Melbourne (Venue TBC)

Please share the offer of this work with any men in your networks and RSVP if interested in attending.

Great things reside in the unknown,
Love and Respect,
Jordan
