# The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women? A space that allows you to heal at a cellular level in a way that really can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.

The unconditional love and non judgement felt here provides a safe place to explore yourself in a way you never thought possible.

*"I just had the most incredible, transformational weekend at the Gift! Beautiful soulful non-judgmental women who gathered for three days. We danced, laughed, cried, supported, blessed and all round just shared pure, raw awesomeness!! Amazing food, new friendships and EXACTLY what this lady needed!!! I couldn't be more grateful right now."*
