essence and allow your
authentic self to shine...

The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women?
A space that allows you to heal at a cellular level in a way that really
can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.
The unconditional love and non judgement felt here provides a safe place
to explore yourself in a way you never thought possible.

“Of all the wonderful experiences I've had THIS one brought about the deepest lasting transformation. Surrounded by wholehearted, caring women in ritual circle, I released what was holding me back and found deep self-acceptance and love for myself. No longer do I need the approval or acceptance of others, because I am guided by my own sense of self and my own self-acceptance. I know and love my true essence.”
