

I see a chain of women, each listening to each,
being present to her as she waits for her Self to be born,
for her feeling values to come to form and to birth...
Woman after woman, being present, as each finds her voice. - Judith Duerk

The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women?
A space that allows you to heal at a cellular level in a way that really
can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.
The unconditional love and non-judgement felt here provides a safe place
to explore yourself in a way you never thought possible.
