

I see a chain of women, each listening to each,  
being present to her as she waits for her Self to be born,  
for her feeling values to come to form and to birth...  
Woman after woman, being present, as each finds her voice. - Judith Duerk

# The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women?  
A space that allows you to heal at a cellular level in a way that really  
can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.  
The unconditional love and non-judgement felt here provides a safe place  
to explore yourself in a way you never thought possible.

*"Ever since my first Gift in 1996, I have jumped into the void with delight.  
I feel my life has changed on a significant level in the most positive ways.  
The acceptance and unconditional love I feel, is such a rarity on this planet. Being really  
seen, as I am, no matter what creation I am choosing to experience, is so powerful and  
validating. Being witnessed and seen as the powerful, compassionate woman I am, has  
helped me to create so much more love in the world." - Kat Robertson*
