

I see a chain of women, each listening to each,  
 being present to her as she waits for her Self to be born,  
 for her feeling values to come to form and to birth...  
 Woman after woman, being present, as each finds her voice. - Judith Duerk

# The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women?  
 A space that allows you to heal at a cellular level in a way that really  
 can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.  
 The unconditional love and non-judgement felt here provides a safe place  
 to explore yourself in a way you never thought possible.

*“And perhaps what made her beautiful was not her appearance or what she achieved,  
 but in her love and her courage, and her audacity to believe: no matter the darkness  
 around her, light ran wild within her, and that was the way she became alive,  
 and it showed up in everything.”*
