

There is a place...

where you can discover your true essence and allow your authentic self to shine...

# The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the sacredness and mystery of a 3 day journey with women? A space that allows you to shift at a cellular level in a way that really can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.

The unconditional love and non judgement felt here provides a safe place to explore your own pathways that may open you to new possibilities.
