# The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women? A space that allows you to heal at a cellular level in a way that really can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal.

The unconditional love and non-judgement felt here provides a safe place to explore yourself in a way you never thought possible.

*"The Auckland Gift was one of the most profound and heart nourishing experiences that I have ever had. The revolution that I felt within my own heart made the experience invaluable to me. I faced parts of myself that I never imagined I ever could, and while I am still finding myself processing so much of it, I feel a sense of freedom that I have only previously dreamed of having. I am grateful. So grateful." - Lulu*
