

There is a place...

where you can discover your true essence and allow your authentic self to shine...

The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the sacredness and mystery of a 3 day journey with women? A space that allows you to shift at a cellular level in a way that really can't be thought about, but rather felt.

The Gift is a place of validation, transformation and renewal. The unconditional love and non judgement felt here provides a safe place to explore your own pathways that may open you to new possibilities.

"It was an honour to be part of The Gift. This was by far the most intense, soul moving and awakening experience I've ever had. I feel blessed to have met such inspiring women and to feel held and safe to enter into a space so far outside my comfort zone. I feel I made a connection which is here to stay for the rest of my life. "
