The Gift

A Woman's Rite to HerSelf

A life-changing experience for women only, in a space which invites healing, self-discovery and the reclamation of our feminine wisdom. The Gift is a three-day transformational journey where women rediscover and embrace their own voice, their own unique power and magic; while experiencing true sisterhood and the possibilities that arise in a women's collective. Maybe now is your time to join us and discover parts of yourself that you may have never even dreamed could be there; parts of yourself that you may have hidden from yourself or didn't dare to explore.

"It was an honour to be part of The Gift.

This was by far the most intense, soul moving and awakening experience I've ever had. I feel blessed to have met such inspiring women and to feel held and safe to enter into a space so far outside my comfort zone. I feel I made a connection which is here to stay for the rest of my life."
