Initiation is the process by which we turn from our natural inclination to remain unconscious and decide that whatever it takes - suffering, striving, enduring - we will pursue conscious union with the deeper mind, the wild self."  
~ Clarisa Pinloa Estes

"I feel like I've had a heart replacement and my pre-rite identity is but a shadow of a memory. I am so grateful to my Grail brothers for so fiercely holding space as I purged all that which no longer served me - years of self loathing, isolation, disconnection and a sense of disqualification from the masculine...I have returned home with a fierce intention to quit ripping people off from seeing the real me." - Dave
