

Exploring the unknown of the Self
requires courage, and a calling...
You are invited to answer that call.

Join us for this ground-breaking three-day journey of initiation for men, asking your fullest courage, great hearts, depth of feeling and truth-speaking to transform outmoded patterns in you and the collective. In this secluded retreat, you will be guided through various inner processes, meditations and powerful speaking in circle to prepare you for your personal rite of passage. Those who are called know it somewhere deep within. Is it time for you to answer that call?

"Because brothers don't
let each other wander in
the dark alone."
- Jolene Perry

"I feel like I've had a heart replacement and my pre-rite identity is but a shadow of a memory. I am so grateful to my Grail brothers for so fiercely holding space as I purged all that no longer served me - years of self loathing, isolation, disconnection and a sense of disqualification from the masculine...I have returned home with a fierce intention to quit ripping people off from seeing the real me."
- Dave
