# The Gift

A Woman's Rite to HerSelf

A life-changing experience for women only, in a space which invites healing, self-discovery and the reclamation of our feminine wisdom. The Gift is a three-day transformational journey where women rediscover and embrace their own voice, their own unique power and magic; while experiencing true sisterhood and the possibilities that arise in a women's collective. Maybe now is your time to join us and discover parts of yourself that you may have never even dreamed could be there; parts of yourself that you may have hidden from yourself or didn't dare to explore.

*"It was an honour to be part of The Gift.*

*This was by far the most intense, soul moving and awakening experience I've ever had. I feel blessed to have met such inspiring women and to feel held and safe to enter into a space so far outside my comfort zone. I feel I made a connection which is here to stay for the rest of my life. "*
