The Gift

A Woman's Rite to HerSelf

How amazing would it be to sit in the safety and sacredness of a 3 day journey with women? A space that allows you to heal at a cellular level in a way that really can't be thought about, but rather felt. The Gift is a place of validation, transformation and renewal. The unconditional love and non-judgment felt here provides a safe place to explore yourself in a way you never thought possible.
